

Referral FAQ

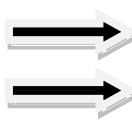

1. What is required for a complete referral to CMC's pulmonary rehabilitation program?

- Physician referral / Physician clearance form
- Pulmonary Diagnosis
- Most recent H&P and other pertinent medical information
- Recent EKG within 6 months
- Recent PFT within 2 years

2. Where can I find the Physician clearance form to sign?

Now available on our website [Pulmonary Fitness at CMC](#), please sign and fax to 603-665-2449. Or you can call us at 603-665-2545 and we will facilitate. **Make sure to check the last two boxes for cardiac clearance.**

(EXAMPLE ONLY)

<input type="checkbox"/> The patient has been evaluated and in my opinion does not need further cardiac stress testing prior to participating in the Pulmonary Fitness Program.
<input type="checkbox"/> Upon completion of the Pulmonary Fitness Program, I find no contraindications to this individual participating in the Community Phase Exercise Program of the Department of Cardiovascular Wellness, including a progressive light weight resistance program of 1-10 lb handheld weights and elastic bands.
